NEARING ITS END

Strong Pressure Brought to Bear May Bring Relief Within a Month.

MANDATORY RATE BILL

f All Else Fails Legislature May Enact Law Creating Reasonable Tariffs.

lemand of New Yorkers for cheaper telephone rates is assured within the

hree separate channels to bring relief from the burden of excessive tolls evied on this city. The forces at work

1. The up-State Public Service Commission, which is striving to wind up its valuation proceedings now more than a year

2. The Legislature, growing impatient of commission delays. will take up for consideration a a Mandiatory Rate Bill.

3. The New York Telephone Company is expected to make

The Public Service Commission will old a public hearing in the Metropolitan Tower Friday morning, at which its counsel, Martin W. Littleton, will disclose how New Yorkers are taxed through the charge of 4% per cent. that the American Telephone Company takes out of the gross receipts of its operating subsidiarythe New York Telephone Companyunder the guise of royalty for use of

patents long since expired.

It is likely that important conferences between the commission and officers of the company will follow the hearing.

WHAT LEGISLATURE MAY DO WHEN IT TAKES HAND. In the State Legislature three lines

of activity are planted.

1. A public hearing on the Lock-wood Five Coat Bill before Joint Benate and Amenby Committees will be held in Albapy Tuesday

afternoon, Feb. 16. 2. The Thompson legislative committee now investigating New York City Public Service Commis-

Dr. Lewis Beker

Get 2 drams of iodide of potassium; 4 drams sodium salicylate, 16 on, wise of colchizum, 1 oz. comp. sewace cardiol, 1 oz. comp. fluid balmwort and 5 om, of grup samaparilla comp. Mix and take a tea-spoonful at meal time and again before guing to bed.

C. O. C. asks: "I am constipated, tongue conted, have headache, diazy spalls and indi-rection sometimes. Please advise?"

Answer: I advise that you begin using

commission next and demand to know why there has been so much detay in the telephone rate

tee, holding over from the last receive the report of its expert, Prof. E. W. Bemis, who has been examining the telephone com-pany's books, and will submit its findings to the Senate and Assem-

NEW YORK.

same schedule of rates that the Bell Company gives to Chicago. The maximum charge is five cents a call maximum charge is five cents a call throughout the city and a subscriber's rate of 800 calls for \$40 a year. Charges scale downward to two cents a call on "wholesale" 20n-tracts.

State commission what has been accomplished with the \$100,000 appropriation made by the last Legislature for appraising telephone property as the basis for lower rate.

Telephone company lawyers have made two plans of defense. In the Public Service Commission proceedings they contend that the whole State must be taken into consideration in rate runking and that no schedule can be based on New York City conditions alone. They want to perpetuate the old policy of making New Yorkers pay extortionate rates to meet the deficits of less profitable regions and to buy up all opposition companies in five Eastern States.

In case the Legislature passes a

This bill was referred in the Senate imposed on them the flighest tele-to the Committee on Public Service and in the Assembly to the Committee on Water, Gas and Electricity. Meanwhile, New Yorkers will have imposed on them the flighest tele-phone rates in the world and the ex-tortion of additional tolls for com-mittee on Water, Gas and Electricity.

morrow evening.
